**Interview Transcription**

**THE INTERVIEW BETWEEN THE OBSERVER AND THE TEACHER**
Observer : Apakah teknik “Coloring Pictures” mudah di aplikasikan?
Teacher : Ya, karena pada dasarnya anak-anak itu suka untuk mewarnai, khususnya anak TK walaupun tidak semua suka mewarnai tetapi sebagian besar suka, jadi pengaplikasianya cukup mudah.
Observer : Apakah dengan mengaplikasikan teknik “Coloring Pictures” dalam mengajar bahasa Inggris dapat membantu mereka lebih fokus pada pelajaran?
Teacher : Tentu saja, saya pikir dengan menggunakan gambar, gambar kan merupakan sebuah media visual, jadi dengan adanya gambar, murid-murid dapat lebih fokus, lebih tertarik dengan gambar sehingga mereka fokus pada gambar, pelajaran, sehingga mereka akan lebih mudah menghafalkan kata-kata yang di berikan.
Observer : Apakah dengan menggunakan teknik “Coloring Pictures” dalam mengajar Bahasa Inggris dapat membantu mereka menghafal atau mengingat pelajaran yang di ajarkan?
Teacher : Ya, karena dengan melihat gambar, mereka di ajarkan untuk mengahafal kosakata bahasa Inggris tentang gambar tersebut, pada waktu sambil mereka mewarnai, mereka bisa sambil mengingat, misalnya gambar ini bahasa Inggrisnya apa?, jadi lebih mudah untuk mereka.
Observer : Menurut ibu apakah dengan mengaplikasikan teknik ini dapat membuat murid-murid lebih aktif?
Teacher : Tentu saja, karena sebelum mewarnai anak-anak di ajak untuk berinteraksi untuk bertanya jawab. Misalnya saya berikan beberapa pertanyaan tentang pengetahuan mereka tentang benda yang akan mereka pelajari dan warnai. Misalnya tentang bunga “flower”, ini bunga apa?, “what flower is it?” atau misalnya “ini bagian dari bunganya ada yang tahu tidak bahasa Inggrisnya?” jadi mereka sudah diajak untuk menjawab dan berinteraksi jadi mereka lebih aktif. Setelah mereka telah mengerti bahasa Inggris dari bunga-bunga tersebut dengan jelas bahasa Inggrisnya beserta...
bagiannya, saya baru instruksikan bagaimana cara mewarnai dan mereka selanjutnya aktif mewarna.

Observer : Apakah ada beberapa anak yang tidak mewarna?
Teacher : Ada satu, dua anak, karena tidak semua anak suka mewarnai, jadi mereka mengerjakan berdasar “mood” mereka. Tapi hanya sebagian kecil yang memang biasanya nakal.

Observer : Menurut ibu apakah ibu akan memakai teknik tersebut walau observasi sudah selesai?
Teacher : Untuk selanjutnya pasti. Pasti saya gunakan meskipun tidak selalu saya gunakan tetapi saya gunakan bergantian dengan teknik lain.

Observer : Jadi menurut ibu bagus tidak teknik ini?
Teacher : Bagus

Observer : Apakah ada beberapa kesulitan yang ibu hadapi dalam mengaplikasikan teknik ini?
Teacher : Secara garis besar tidak ada. Pada dasarnya mereka suka mewarnai. Tetapi ya seperti yang saya sampaikan ada beberapa anak yang pada dasarnya naka dan malas dan tergantung pada moodnya, jadi kakau mau disuruh harus di bujuk dulu, diberi hadiah, kalau mewarnai selesai dapat bintang atau dapat hadiah/ ”reward”.

THE INTERVIEW BETWEEN THE OBSERVER AND THE TEACHER

Observer : Apakah teknik “Coloring Pictures” mudah di aplikasikan?
Teacher : Ya, karena pada dasarnya anak anak itu suka untuk mewarnai, khususnya anak TK walaupun tidak semua suka mewarnai tetapi sebagian besar suka, jadi pengaplikasianya cukup mudah.

Observer : Apakah dengan mengaplikasikan teknik “Coloring Pictures” dalam mengajar bahasa Inggris dapat membantu mereka lebih fokus pada pelajaran?
Teacher : Tentu saja, saya pikir dengan menggunakan gambar, gambar kan merupakan sebuah media visual, jadi dengan adanya gambar, murid-murid dapat lebih fokus, lebih tertarik dengan gambar sehingga mereka fokus pada gambar, pelajaran, sehingga mereka akan lebih mudah menghafalkan kata-kata yang di berikan.

Observer : Apakah dengan menggunakan teknik “Coloring Pictures” dalam mengajar Bahasa Inggris dapat membantu mereka menghafal atau mengingat pelajaran yang di ajarkan?
Teacher : Ya, karena dengan melihat gambar, mereka di ajarkan untuk mengahafal kosakata bahasa Inggris tentang gambar tersebut, pada waktu sambil mereka mewarnai, merka bisa sambil mengingat, misalnya gambar ini bahasa Inggrisnya apa?, jadi lebih mudah untuk mereka.

Observer : Menurut ibu apakah dengan mengaplikasikan teknik ini dapat membuat murid-murid lebih aktif?

Observer : Apakah ada beberapa anak yang tidak mewarna?

Teacher : Ada satu, dua anak, karena tidak semua anak suka mewarnai, jadi mereka mangerjakan berdasar “mood” mereka. Tapi hanya sebagian kecil yang memang biasanya nakal.

Observer : Menurut ibu apakah ibu akan memakai teknik tersebut walau observasi sudah selesai?

Teacher : Untuk selanjutnya pasti. Pasti saya gunakan meskipun tidak selalu saya gunakan tetapi saya gunakan bergantian dengan teknik lain.

Observer : Jadi menurut ibu bagus tidak teknik ini?

Teacher : Bagus

Observer : Apakah ada beberapa kesulitan yang ibu hadapi dalam mengaplikasikan teknik ini?

Teacher : Secara garis besar tidak ada. Pada dasarnya mereka suka mewarnai. Tetapi ya seperti yang saya sampaikan ada beberapa anak yang pada dasarnya naka dan malas dan tergantung pada moodnya, jadi kakau mau disuruh harus di
bujuk dulu, diberi hadiah, kalau mewarnai selesai dapat bintang atau dapat hadiah/ "reward".
