ACKNOWLEDGEMENTS

Praise and thank to the Almighty God for His Holy Providence and Great Blessings that finally the writer was able to finish writing this thesis and was allowed to sit for the thesis examination.

The writer realizes that this thesis would not have been finished without the assistance of many persons of which the followings worth mentioning. Therefore, the writer takes this opportunity to express his gratitude to them.

1. Drs. Stefanus Laga Tukan, M.Pd, the writer’s first advisor who has spent his valuable time guiding the writer patiently and giving valuable suggestions for the improvement of this thesis.

2. Mateus Yumarnamto, M.Hum, the writer’s second advisor who has given his valuable advice and guidance to the writer in the process of writing this thesis.

3. All the examiners who has given their valuable suggestions and corrections to the writer to the improvement of this thesis.

4. His beloved mother and brother who have supported him spiritually and materially in his study and especially in the process of writing this thesis. He also appreciates their constant encouragement so that he could complete this thesis.

5. His friends who have supported and prayed for him during the study and particularly in the process of writing this thesis, especially my colleague in Ciputra School, Miss Riri, who has read several chapters of my thesis and has given constructive comments and suggestions for improvement of my thesis.

6. All the lecturers, administration staff, and librarians, for their assistance, supports and prayers.

The Writer

ABSTRACT

Key Words: Language Variation, Slang, Slang Expressions, Beauty Parlor, Beauty Parlor staff, Johnny Andrean Beauty Parlor Staff

Slang expressions used among beauty parlour staff are very interesting to explore. This research deals with the three research questions related to those used by Johnny Andrean Beauty Parlour staff in Delta Plaza Surabaya. The three research questions are: (1) what forms of slang expressions are used by Johnny Andrean Beauty Parlor staff in talking to another (2) which form of slang expressions is mostly used by Johnny Andrean Beauty Parlor staff in talking to one another and (3) what reasons influence the Johnny Andrean Beauty Parlor staff to use slang expressions in communicating with one another.

To answer these questions, the writer recorded Johnny Andrean Beauty Parlor staff’s conversations in seven occasions. The conversations, then, were transcribed and analyzed in terms of the forms of slang expressions and their frequency of occurrence.

From the analysis of the data, it is found out that there are three forms of slang expressions: (1) words, (2) phrases and (3) clauses. Among the three forms, slang words are the most dominant (69 percent of the total slang expressions). By crosschecking the structured interview, the underlying reasons why the subjects used slang expressions in their conversations were revealed: (a) to conceal a message, (b) to show high degree of intimacy, (c) to have fun with the words.
