ACKNOWLEDGEMENTS

Finishing the thesis, the writer would like to express her deepest gratitude to God for blessings and guidance. Without Him, she would have not finished this thesis the way it should be. The writer’s special appreciation and gratitude are extended to the following persons:

1. Prof. Dr. Agustinus Ngadiman, her first advisor, who has given valuable supports, ideas, and guidance to her during the process of doing this thesis.

2. M.G. Retno Palupi, M. Pd., her second advisor, who has given her helpful suggestions and corrections during the process of writing this thesis.

3. Drs. Stefanus Laga Tukan, M. Pd, her academic advisor, for any advice and favor her needed during her study years.

4. Ria Stephanie Yohanna, her data co-analyst and research partner for sharing information and exchanging ideas with her during the process of writing this thesis.

5. All lecturers who have shared their knowledge and experiences with the writer throughout her study years.

6. All of the third semester students of writing II class of the English Department of Widya Mandala Surabaya Catholic University whose compositions were used as the data sources of the study.

7. Her beloved parents and brother for their spiritual and material supports that have made her successfully accomplish this thesis.
8. All people whose names have not been mentioned for their assistance.

Surabaya, January 2011
