DEDICATION

This thesis is dedicated to:
❖ My beloved mother
❖ My family member
❖ My ancestor
❖ My lecturers and advisor
❖ My friends and colleagues
❖ My Alma Mater
Failure is an option here.

If things are not failing, you
are not innovating enough.

(Elon Musk)
ACKNOWLEDGEMENT

My foremost thanks to Almighty God, Who has given me the blessing and strength to carry out this research so that the researcher be able to finish this research. The researcher realized, without some contributions and support from others, this research will never be completed. Therefore, I would like to thank some people who help me to complete this research. First of all, I would like to thanks with gratitude my beloved mother who always support and never stop bringing me in prayer. Thank you for your care, prayers, and everything that you have given to me. You are my great mother ever. I do love you.

My sincere gratitude goes to the advisor, I would like to thank Christina Maya Iriana Sari S.S., M. Hum who has given me the best guidance, advice, motivation, and encouragement in process of writing this thesis. Thank you so much. My sincere thank also goes to Widya Mandala Catholic University as my Alma Mater which support get my graduation. Afterward, I am very lucky to meet all lecturers and staff of the English Study Program with the knowledge and their forbearance. and also for my kind classmate, Astrid, Endy, Senta, Dwi, Awi, Mega, Dinda, Dexa, Ariesya who has supported me in doing this research.

Last but not least, special thanks were delivered to my best friends Albert, Rafa, Kristina Dewi, Yuni, Ivana, Louis, Shelby, Citra who always give me support, and also thanks to all of my soul mates, Flora, Gretty, Salwa, Septi, Enes, Ilen, Dian, Agustina, Milana and Brigita for cheering me when I am down. And to my friends who always hanging out with me Natasya Octaviona, Kevin Wijaya, Jessie, Sandra, Isty, Imelda, Triyani, Gabi, Adel, Ester, Sesil
Finally, the researcher realized this research is far from perfect, but the researcher hopes this research would be useful for the readers and other researchers in the future who interest in analyzing directive utterances in the movie.

This research is entitled "Analysis of Politeness Strategies in Directive Speech in Mission: Impossible - Fallout". The purpose of this research is to find out the utterance that tells someone and contains elements of politeness strategies. The object of this research is Mission: Impossible – Fallout. It is a 2018 American spy film directed by Christopher McQuarrie. In this study, the method used is descriptive qualitative because the researcher will examine and interpret the data. The data found is in the form of a dialog. The step to get data is to collect data sources from subtitles. After that, the researcher reads, selects, and analyzes dialogues containing politeness strategies in directive speech. The results of this study, researchers found 70 data. Then, from 70 data, there are 2 types of politeness strategies, namely positive politeness, and negative politeness. Positive politeness is found in 8 data, negative politeness is found in 62 data. In analyzing the manner of politeness strategies in directive speech, the researcher uses the social dimension, therefore it is related to the solidarity social distance scale, status scale, and formality scale, and two functional.

Keywords: Directive Utterances, Politeness Strategy, Positive Politeness, Negative Politeness, Social Dimensions.
